

Conservative Claims

EXPOSED

The Conservatives are so desperate to win your vote that they are making all sorts of claims in this elections. Here are a few exposed:

TOILETS

They say Lib Dems Closed some - the TRUTH is that toilets closed under the last Conservative run Council. The Lib Dems saved 2 from closure and have set up a Community Toilet Scheme

BROWN BINS

Conservatives say they will re-introduced fortnightly collections. BUT the Lib Dems are already doing this in the summer plus weekly collection of all other recyclables.

FREE PARKING

The Conservatives claim they will introduce 1 hour free parking. But this is uncostered and was not put forward by them at budget time. Whilst the Conservative run County Council put up on street charges by 25% the Lib Dems have FROZEN shoppers car parking charges since last increased by the Tories!

THE SAINTS

The Conservatives will tell you the Lib Dems aren't supporting the expansion of the Saints. Not true. The Council even offered to lend the Saints the money to build the stand! The Saints have now said they will go ahead with the expansion without any ASDA supermarket.

IT'S A QUESTION OF HONESTY!
